INFORMATION AND INSTRUCTIONS

1. *Availability of information.* The records of the Immigration and Naturalization Service are by law and regulation confidential, and information from or copies of such records may be furnished only in the discretion of the Attorney General or officers designated by him.

2. *Application—Form N-585.* (a) Persons desiring information from the records of this Service shall submit this application executed as fully as possible. The specific purpose for which information is desired must be set forth.

Other applications. (b) Information will not be furnished to persons for use in executing other immigration or naturalization applications. Such applications should be executed as fully as possible upon the basis of information in the subject's possession. Following the submission of the executed application to this Service, appropriate searches are conducted based upon statements in the application.

3. *Consent required.* All applications *not* made by the subject of the record shall bear the signature of the subject of the record consenting to the furnishing of the information. If the subject of the record is deceased, the application shall bear the signature of the executor or administrator of the subject's estate consenting to the furnishing of the information, or be executed by a relative who has a legitimate interest in and a valid need for information contained in Service records relating to the deceased.

4. *Fees.* (a) A minimum fee of 50 cents plus an additional fee of 25 cents for each additional folio of 100 words or fraction thereof, shall be submitted with an application for information from the records or for a copy of a document in the records. A fee of \$3 (which includes the basic fee of 50 cents) is required for making a search of records of arrival. An additional fee of \$1 is required for each official certification. Fees shall be submitted in the form of a United States postal money order or, if the applicant is outside the United States, an international money order, made payable to the "Immigration and Naturalization Service, Department of Justice," except that if the applicant is residing in the Virgin Islands of the United States his remittance shall be made payable to the "Commissioner of Finance of the Virgin Islands" and if he is residing in Guam the remittance shall be made payable to the "Treasurer, Guam." If you mail this application, attach money order or check. DO NOT SEND CASH.

When the information requested relates to two or more persons, groups, or things, the furnishing of each is a separate service and an additional fee or additional fees shall be submitted.

5. *Certifications of naturalization records.* Section 343 (e) of the Immigration and Nationality Act authorizes the Attorney General to make and issue certifications of any part of the naturalization records of any court, or of any certificate of naturalization or citizenship for use in complying with any statute, State or Federal, or in any judicial proceeding. If such certification is desired for use in complying with a statute, the relevant statute should be cited or described clearly. If a certification is desired for use in a judicial proceeding, the title and character of the proceeding, the court in which it is pending and the specific use to which the certification will be put should be stated.
